1. Colonel Roamer, Director of Intelligence, ASF, has obtained authorization for seven (7) technical intelligence officers to be assigned to Pacific MIRS. He apparently obtained this authorization officially; that is, by direction of Lieutenant General Somervell and has instructed the Technical Intelligence Services to submit the name of a suitable officer for this work. In the very near future all seven (7) technical intelligence services will be represented at Camp Ritchie, Md., at Pacific MIRS.

2. This is a great step forward and at the first convenient opportunity, the Chief, MIS, should thank the Director of Intelligence, ASF, for his prompt cooperation.

J. R. LOVELL,
Colonel, G.S.C.,
Chief, Military Branch.
